A message from the Eco-Church group: This year's theme for Environment Sunday (observed by many churches today) is 'Beat Plastic Pollution', and we all know that is an ongoing challenge. Today is also World Oceans Day and a 'must-see' is Sir David Attenborough's new film, *Ocean*. A stunning film with a strong message that governments need to do more to protect the oceans, but a message of hope, too.

St Bart's Intercessory Prayer will follow the service on Sunday 29th June
