A message from the Eco-Church group - we all know how damaging plastic pollution is. You only have to look at the litter on our own areas, especially among the A13 verges, to see the impact. The impact on the oceans is huge, and microplastics can be found inside each of us! Governments are currently meeting in Geneva to agree a Global Plastics Treaty, to reduce the impact of plastic pollution for the future. Will they, and will we, agree to reduce our use of plastic for the benefit of all life on this planet? If this matters to you, consider signing the Greenpeace petition by going to their website - action.greenpeace.org.uk/global-plastic-treaty

St Bart's Intercessory Prayer will follow the service on 31st August.
